Summary

Proficient Android and Flutter Developer with experience creating in cross-platform and native mobile applications with seamless user experience.

Technical Skills

Mobile Development (Flutter)(IOS & Android):

- **State Management** : GetX , Bloc.
- **Architecture Pattern** : MVC, MVVM, Clean Architecture .
- **API Integration** : RESTful APIs using HTTP/Dio.
- **Real-time Communication** : WebSockets, Socket.IO.
- **App Deployment** : Google Play Store, App Store Connect (app signing, release tracks).
- **Live Streaming** : Zego Cloud , RTMP, FFmpeg , Agora.
- **Payment Gateway** : Razorpay.

Backend & Database: Firebase(Authentication, Firestore, Cloud Storage, FCM), Offline-First Architecture, local caching, shared preferences, Secure storage.

Analytics & Growth : PostHog (Session Replay, Feature Flags), Firebase Analytics, A/B Testing.

Additional Skills:

- **Version Control** : Git, GitHub.
- **UI/UX** : Responsive design, Shimmer effects, Lazy loading, Lottie animations.
- **Languages** : Dart, Java, Kotlin, C, C++, Python (Basics), XML.

Experience

Selectronic India (Flutter)(IOS & Android)

Oct. 2025 - Present

Criconet - Uniting Cricket

- **Features:** Enhanced and maintained sports platform, integrated 1:1 video coaching with match highlights and Payment gateway.
- **Skills Used:** Java, REST APIs, Agora SDK, Razorpay.

CricoScore

- **Features:** Developed a real-time cricket scoring platform with live score updates, player stats, and match history. enabled users to create matches/tournaments and perform live scoring with instant sync via WebSockets.
- **Skills Used:** Flutter, Clean Architecture, BLoC, WebSockets, Socket.io, REST APIs.

Trapigo (Flutter Developer)

Jan 2025 - Sept. 2025

Dhaba 29 – Franchisee Management App

- **Features:** Enabled franchisees to manage inventory, billing, orders, stock, and staff attendance in one app.
- **Skills Used:** Flutter, GetX state management, API integration, role-based access, and clean UI development.

JobizoWorks – Labour Management App

- **Features:**
 - Customers: Register company, request labour, manage tasks & billing.
 - Labourers: Accept jobs, track payouts, and earnings.
- **Skills Used:** Flutter, GetX state management, REST API integration, role-based workflows.

Uthix – E-Learning, E-Commerce App

- **Features:** Combined live streaming classes (via Zego Cloud), e-commerce for books/materials (Razorpay payments), and chat into a single app.
- **Skills Used:** Flutter, payment gateway (Razorpay), REST APIs, and real-time communication.

Projects

Placement Cell Management Application

- Developed a Placement Management app using Flutter and Firebase for real-time and authentication.
- Created student and admin profiles with functionalities for job applications and management.

Quiz App Using API

- Built a Flutter Quiz App fetching questions from an API, enabling users to answer and review results with score tracking.
- Integrated API calls and state management for dynamic question loading and real-time score calculation.

Crypto Tracker

- Designed and developed an Android Application with Material Design for a seamless user experience, enabling users to track real-time cryptocurrency values.
- Integrated the third party API to fetch live crypto currency data and implemented efficient data passing for accurate value representation.

Weather App Using API

- Fetches real-time weather updates, including current temperature, humidity, wind speed, and forecasts using OpenWeatherMap and WeatherAPI
- Supports automatic location-based weather updates as well as manual city searches.

Education

After passed **12th** standard from Triveni Public School I have done my **Bachelor's of Computer Applications** from Maharshi Dayanand University with **68%** June 2020 - May 2023 and added a **Master's Degree in Computer Applications** from Chandigarh University with **7.3 CGPA** batch Aug. 2023 - May 2025 while doing my masters, I got appreciated and recognition as a punctual and a curious student among 150 students.

Certification & Awards

- **DSA** : By Apna College.
- **Second Position** in District Level Legal Literacy Competition (Among 10 Colleges).
- **Participation Certificate** in State Level Legal Literacy Competition.
- **Third Position** in Science Exhibition for project creation.
